## What we can do for you

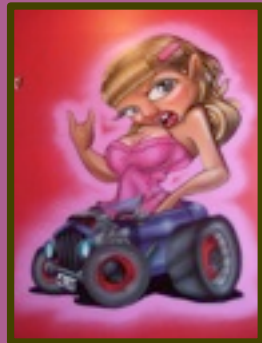

Faunagraphic offers different ways to use art in your business; here are some examples of interesting services.

- We can create murals for advertising campaigns, used on TV, magazines and back drops for exhibition stands
- Bring fun into the office and have an art workshop, create a mural or receive art therapy while working on high-stress projects!
- Fun in the office, have an artist in for the day, build your own illustrated mural, get your employees creative for the afternoon
- Murals either inside or outside your business premises
- Live Promotional murals or illustration at events.
- We can deliver workshops whilst painting a mural, whether it is to a youth group or involving the public.

To gain attention from spectators at conferences or networking events, faunagraphic can create artwork that is related to whichever product or subject you need promoting,

We are covered for Public liability and fully CRB certified

Above- we also complete mural's in bedrooms, living rooms, and garden center's, sea life centers, zoos, nature parks and exhibition's

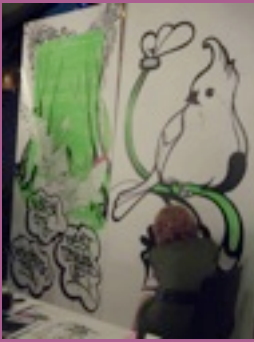

Murals can be pre-designed and planned. Or they can be freestyled with a theme in mind on the spot!

#### How to get a mural!

- Murals can be painted onto walls, boards, canvas, wallpaper, or decoration on vehicles
- Murals can also be removed if painted onto MDF or another type of removable surface; the MDF can be taken down and stored with the mural still in perfect condition.
- We now do murals to order over the internet
- We take measurements from you, and create the mural either on wallpaper, or canvas, roll it up and mail it special delivery or in some instances we deliver it ourselves.
